His Ex. the Minister of Foreign Affairs said. Under existing circumstances, the Throne being vacant, the Authority for calling a meeting of the Privy Council, devolved upon the Cabinet, and at the request of the Cabinet the Privy Councillors had been invited to assemble today. Also that he had been requested by his colleagues to occupy ^{the} chair on this occasion.

The Minister of the Interior made the prayer.

The minutes of the last preceding meeting of the Privy Council were read and approved.

The Minister of the Interior moved that the unfinished business be postponed until the next meeting of the Council, and that the principal object for which the Council had assembled be now considered. Passed.

The Minister of Foreign Affairs acting as president of the Council made the following address.

Gentlemen of the Privy Council - Only a little over a year ago, an informal meeting of the members of the Privy Council was held in this room for the purpose of suitably expressing their regard for the memory of His late Majesty Kamehameha V.

Again, the Hawaiian people mourn

the untimely death of their King. Lunalilo has been gathered with his ancestors, without leaving an heir, or an appointed successor to the Throne of Hawaii; and we who were honored with his confidence as members of his Cabinet, have invited you to assemble here for the purpose of unitedly expressing, in some degree, our respect for the deceased, and our sympathy with the living;

His Excellency then submitted the following resolutions, which were unanimously adopted, and ordered to be published.

Resolved; That the Privy Councillors here assembled, are deeply impressed by this new affliction which has fallen upon the Hawaiian Nation in the death of its chosen and beloved King Lunalilo who scarce thirteen months ago, came to the Throne, in the prime of manhood, full of hope for a long, happy and prosperous reign.

Resolved; That the great popularity of the deceased with all classes of his subjects, and the strong attachment for him manifested by those who were most intimately associated with him, testify of his admirable and noble qualities as a man, and of his kindness as a Ruler.

Resolved; That while we humbly bow to the will of our Heavenly Father, and have perfect faith in His wisdom, our hearts are filled with grief by the heavy bereavements so frequently experienced by this nation, and now renewed by the demise of our late Sovereign.

Resolved; That we deeply sympathize with the entire nation, in this great loss; and that we offer our special condolence to our fellow Councillor His Highness Charles Namaina the aged father of our late King.

Resolved; That the foregoing resolutions be entered upon the records of the Privy Council, published in the newspapers of this city, and a copy delivered to His Highness Charles Namaina.

March 13th 1894

Hon J. Mott Smith offered the following resolutions which was seconded by Hon G. Rhodes and passed

Whereas; at a Cabinet Council holden at the office of the Minister of Foreign Affairs on the 5th day of Feb^y. 1874 it was Resolved; that the Minister of Finance be directed to advance such sums of money as may be required for the funeral expenses of His late Majesty;

And whereas, it is required by the Constitution that the Privy Council shall concur in such expenditure of money.

Therefore, be it; Resolved;

That the consent of this Council is hereby given to the Minister of Finance to draw from the Public Treasury such sums of money, not to exceed Twelve Thousand dollars, as may be necessary for the purpose of defraying the funeral expenses of His late Majesty Lunalilo.

His Excellency the Minister of Foreign Affairs made the following statement.

It is quite probable that various reports regarding the appointment of a Successor by the late King, will be spread abroad. I think it quite proper that you, gentlemen, who occupy a responsible position, should know just what was done about that important matter by the members of His Majesty's Cabinet.

"I September last, on more than one occasion, I urged upon His Majesty the great importance and desirableness of appointing his Successor. My colleagues also advised strongly the same way.

Again, after his late return from Hawaii, the Minister of the Interior and myself the Attorney General also being present advised him with every argument that we could command, and appealed to him to make an appointment. I stated to

him repeatedly that whenever he desired to name his Successor it would it would be the duty of his Ministers to summon the Nobles without delay and that I would make it my special business to attend to it. I now say for myself and am also authorized to state on behalf of my colleagues, that His Majesty never said to me, or to either of them, that he was ready to make an appointment and wished to have the Nobles summoned nor did he ever name to me, or to either of them, any person whom he wished to appoint. His right to make an appointment and the method were clearly explained to him, and perfectly understood by him, and he knew that when he was ready to make an appointment the Nobles would be called and the name submitted to them.

Several of the Councillors having stated that it ~~would~~ seemed to them desirable that this statement, on the part of the Ministers should be publicly known.

Mr. Bishop added,

I have no objection, and my colleagues seem to have none, that what I have said to you should be repeated publicly.

The members of the Cabinet are perfectly aware that it is their duty in their official capacity to treat all candidates for the Sovereignty with impartiality, and they will do so.

In justice to myself and all concerned I thought it proper to make this statement to you, so that you might know the truth. We the Ministers do not pretend to know what the King may have said to others, but we speak for ourselves only.

Minutes of previous meeting read Approved

His Majesty the King informed the Council, that he had called this meeting, to consult you as to the propriety of my going to visit the U.S. of America and also to ask the President of the U.S. through their Minister Resident to this Court, has been very kind in offering for my use and service, the U.S. ship Benicia now lying in our port, and also to Escort me to Washington, and to make a suitable reply to the same

Hon. J. W. Kawainui remarked as to how far and how the expenses of His Majesty's visit was to be defrayed His Majesty the King replied that he was going as far as he could with his own means. Hon. G. Rhodes said that in his opinion this is not the time for H. M. to go he did not receive a proper invitation, and also there will be danger at home, as well as abroad he would very much like us to have a Reciprocity Treaty with the U.S. but did not approve of H. M. going as a Negotiator. His Esq. W. L. Green said the going of H. M. to the U.S. originated long before the Reciprocity Treaty, but his presence in the U.S. at the same time might be the means of our getting the Treaty if we get it, and as to the State His Majesty Health was the Ministers as well as his personal friends think that he was in good health and never better to visit the Great Republic as at present, and I would

also state, the idea of going did not come from His Ministers, but from His Majesty himself.

The Hon^{ble} C. Bishop said, This was not the proper time for His Majesty to visit the U.S. that people would suppose that his going was connected with the Treaty, and also the Finance of the Country was very low, and would be very heavy upon our Treasury, as we have had some extraordinary expense within the last years. That has tried us very much. as much as I would like to see Your Majesty visit the U.S. and no ~~length~~ doubt will be the means of getting a receptivity Treaty, which is needed very much by the country, but Your Majesty will excuse me if I vote against Your Majesty going now. Hon^{ble} C. Allen explained about the invitation and spoke some length supporting His Majesty going to the U.S. the Hon^{ble} S. S. Wilder spoke very gallingly in favor, now is the time and the only time, as his going and his presence at Washington will help the Treaty without his having anything about it. Hon^{ble} G. Rhodes spoke against against St. M. going now. Hon^{ble} J. N. Coats said that he could not vote one way or the other as he did not know how the expenses was to be paid and unless that was settled he could not vote. Hon^{ble} L. C. Harris spoke to some length favoring His Majesty going. Hon^{ble} Geo. W. L. Green said that they Ministers nor His Majesty the King ever intended to ask this Council to pay the expenses of the trip, that he was going to visit the U.S. at his own cost, and as the courtesy of the President of the U.S. through their Commissioner here in offering the war ship and also the escort to Washington. His Majesty has though proper to consult this Council; and he is of opinion now is the proper time for him to go.

His Ex^{ty} R. H. Stanley then brought in a Resolution Resolved that the sense of your Majesty's Privy Council of State is that Your Majesty be pleased to accept the friendly offer of the Government of the U.S. made through its Minister Resident at this Court, and that you visit the U.S. at such time or will meet your Majesty's pleasure.

Honl. H. M. Whitney spoke in favor

His Exy. P. Nahalelua spoke objecting to His Majesty going. H. H. C. Kanaina also spoke against. His Exy. P. Kana spoke in favor. Honl. H. A. Kahanu was in favor. Honl. J. U. Kawannui said that there was no use of saying that His Majesty was not going to treat for the Treaty, but from what I have heard here today, they wish him to go to be the means of getting the Treaty.

His Majesty corrected the Honl. Member. His Exy. J. C. Dominis said your Majesty and myself has long wished to go to the U. S. long before this Treaty was through off, but the fault is in the Local Paper for misrepresenting to the people in joining your Majesty's going with the Reciprocity Treaty. I hope therefore the papers will rectify their mistake. Nothing being before the Council but the Resolution His Majesty put the question to the Council and passed - 16 yea & 4 no.

His Majesty then adjourned the Council until 12 o'clock on Tuesday the 29th Inst.
